BRAKE PARTS CLEANER

#94156

Product #94156

Strong aerosol cleaner that removes dirt and residue from all brake parts.

THE PROBLEM

Brake system parts must be kept extremely clean to ensure efficient and safe operation. All dirt, dust, oil and grease must be removed prior to re-assembly of the brake components.

THE SOLUTION

BARDAHL PRO® Brake Parts Cleaner is a powerful aerosol solution that dissolves and removes deposits and residue from brake components. The solution quickly cleans dirt, dust, oil and grease from the brake parts to ensure safe and efficient operation of the braking system.

THE BENEFITS

- Powerful solvent cleaning formula
- Removes contaminants from brake parts
- Dries quickly to leave a clean dry surface
- Safe for all types of braking systems

DIRECTIONS

Spray parts to be cleaned liberally with the solution, then wipe dry. Spray again and allow the parts to air dry. Protect rubber and plastic from overspray. Do not allow spray onto an automobile finish or any painted surfaces. Use with every brake service. Dispose of any used or unused solution and container in accordance with the local, state and federal regulations.
