This protection plan for **Automatic/CVT Transmissions, Front Differentials, Rear Differentials, Transfer Cases, Manual Transmissions, Transaxles, Power Steering, Brake, Cooling System and/or Fuel system** will be continued only by the performance of a proper Bardahl Pro Service within 30,000 miles/50,000 km of the previous service. One payable claim per service interval is permitted. This Protection Plan for Engine (gasoline and diesel) will be continued only by the performance of the Bardahl Pro Service within 10,000 miles/16,000 km of the previous service. From the date of your Protection Plan enrollment, the vehicle's engine must be serviced only with the proper grade and weight of engine oil, recommended by the vehicle manufacturer/Dealer. Timing belt, air and oil filter must be replaced and emission control system maintained in accordance with the vehicle manufacturer's recommendations. All services referred to in Section A must be performed by a licensed professional service center. You may not change your own oil. In the event of a claim, you must provide Bardahl Pro with satisfactory evidence, according to section E, that all of the required services referred to in section A were performed. A professional technician must perform an approved Bardahl Pro maintenance procedure using proper Bardahl Pro products and equipment. A grace period of 500 miles /800 km will be extended in order to stay within service interval compliance, including initial service.

C. What is covered: Payment of claims under this protection plan is limited to the labor time necessary to make repairs or to replace any irreparably damaged parts as allocated by Motor or Mitchell Flat Rate Guide or other industry accepted flat rate guide, multiplied by the commercial repair shop's posted hourly labor rate plus the reasonable cost of replaced parts of like kind and quality at the administrator's discretion.

This Bardahl Pro Plan covers only the lubricated parts contained within:

D. Conditions and Exclusions of this Protection Plan: If the vehicle odometer has been changed or altered, or if the odometer has ceased to function, coverage under the terms of this Protection Plan are not in effect. This Protection Plan covers only legally registered passenger cars, vans, SUVs and pick-up trucks with a GVW of 9,500 lbs./4,300 Kg or less. Motorcycles, RVs and vehicles with more than two axles are excluded. Vehicles used for competitive purposes are excluded. This service excludes in-house maintenance/repair facilities. In the case of leased vehicles, the lessee must be primarily obligated for repairs and maintenance. If covered vehicle is used for towing a trailer or other vehicle or object, this Protection Plan is not in effect unless covered vehicle is equipped with factory-installed tow package. Any claim resulting from collision, fire, theft, vandalism, contamination of fluids, acts of God, misuse, abuse, negligence, damage caused by operation during component failure, lack of normal maintenance required by vehicle manufacturer renders this Protection Plan null and void. Pre-existing conditions and damage to system components prior to the service are excluded and may be verified through independent parts analysis at the discretion of Bardahl Pro. Also, excluded are "Washed", "Branded", Salvaged or Junk Titled vehicles. To keep this Protection Plan in effect you must keep all receipts and repair orders for maintenance and services required by this Protection Plan. Failure to furnish all necessary records will render this Protection Plan null and void.

E. Claims and Repair Procedures: In the event of a claim, you must notify Bardahl Pro Claims Administrator, c/o Bardahl Pro prior to having any repairs made by calling 1-855-BMCPROS (262-7767). You must provide the designated claims administrator with the following information for the purpose of determining the validity of the claim:

* Copy of initial Bardahl Pro service record, showing vehicle identification number and mileage at time of service.

* All vehicle maintenance and service records for all applicable Bardahl Pro products/services stated in section A showing compliance with the terms and conditions of this Protection Plan for each component covered in Automatic Transmission/CVT, Front Differential, Rear Differential, Transfer case, Manual Transmission/Transaxle, Power Steering, Cooling System, Brake System, Engine and Fuel.

* Lease Agreement if vehicle is leased.

* A complete statement of damage and estimated repair costs.

* If required, you must ship the damaged parts, as well as a representative pint sample of the vehicle fluid involved with the damaged parts to:
