

## PRE-OWNED PROTECTION PLAN

### A. Scope of this program

This Program is separated from and does not extend the vehicle manufacturer's warranty. This Program will take effect only after the OEM warranty expires. However, Bardahl Pro will pay the deductible amount paid by you under any extended service contract purchased by you which covers such a claim. It is subject to the terms and conditions contained herein.

Bardahl Pro through its Authorized Claims Administrator, agrees to repair or replace parts of the:

- Fuel (gasoline) listed herein that has been serviced with 92030
- Engine (gasoline) listed herein that has been serviced with 93400
- Automatic Transmission listed herein that have been serviced with 93250
- CVT Transmission (CVT) listed herein that have been serviced with 93208
- Power Steering System listed herein that have been serviced with 5711
- Cooling System listed herein that have been serviced with 94610
- Fuel (diesel) listed herein that has been serviced with 3325
- Engine (diesel) listed herein that has been serviced with 93400

### B. Terms, Duration and Extension of this Program

This Program is subject to the terms and conditions contained herein: The service must have been performed before 120,000miles/193,100 km as shown on the odometer. Vehicle must be serviced with appropriate Bardahl Pro Pre-Owned Vehicle Service Kit.

This Program will take effect upon purchase of the vehicle by the customer and expires 6 months/180 days or 6,000miles/10,000 km from purchase of the vehicle by the customer, whichever occurs first.

**C. What is covered:** Payment of claims under this protection plan is limited to the labor time necessary to make repairs or to replace any irreparably damaged parts as allocated by Motor or Mitchell Flat Rate Guide or other industry accepted flat rate guide, multiplied by the commercial repair shop's posted hourly labor rate plus thereasonable cost of replaced parts of like kind and quality at the administrator's discretion.

**This Bardahl Pro Pre-Owned Protection Plan covers only the lubricated parts contained within:**

**Automatic Transmission/CVT:** Covers only the lubricated parts contained within the transmission housing or case only when damaged by an internally lubricated part covered under this Program. Items not covered are leaking transmission seals and gaskets; electrical components, such as solenoids. Proper fluids meeting vehicle manufacture's specifications must be used.

**Power Steering System:** Covers only the lubricated parts contained within the power steering gear box or rack and power steering pump. Items not covered are hoses, belts, brackets, seals, and leaking gaskets.

**Cooling System:** Covers only the lubricated parts contained within the heater core, water pump, freeze plugs, and radiator. Items not covered are hoses, clamps, thermostats and engine components.

### Engine (gasoline and diesel):

Pistons and Rings	Turbo Bearings	Valve Lifters
Cam Shaft and Bearings	Wrist Pins and Bushings	Push Rods
Rods and Rod Bearings	Cylinders liners and boxes	Timing Chains*
Crankshafts and Bearings	Intake Valves and Guides**	Oil Pump
Distributor Drive Gear	Rocker Arms and Pivots	

### Fuel (gasoline and diesel):

Oxygen Sensors	Injectors (deposit-related malfunctions only)	PCV
----------------	---	-----

\*Timing belts and damage to engine parts due to broken timing belts excluded.  
\*\* Grinding adjustments excluded

### Additional Coverage notes:

State tax, local tax, storage fees, shop supplies, core charges and diagnosis are not covered by this plan.

### D. Conditions and Exclusions of this Program

If the vehicle odometer has been changed or altered, or if odometer has ceased to function, coverage under the terms of this program are not in effect. This program covers only legally registered passenger cars, vans, SUVs and pick-up trucks with a GVW of 9,500 pounds/4,300 kg or less. Motorcycles, RVs and vehicles with more than two axles are excluded. Vehicles used for competitive purposes are excluded. If covered vehicle is used for towing a trailer or other vehicle or object, this program is not in effect unless covered vehicle is equipped with factory-installed tow package. Any claim resulting from collision, fire, theft, vandalism, contamination of fluids, acts of God, misuse, abuse, negligence, damage caused by operation during component failure, lack of normal maintenance required by vehicle manufacturer renders this program null and void. Pre-existing conditions, damage to system components prior to the service are excluded and may be verified through independent parts analysis at the discretion of Bardahl Pro. Also excluded are 'Washed', 'Branded', Salvage or Junk titled vehicles and services performed as a demonstration or complimentary services. Failure to furnish all necessary records will render this program null and void.

### E. Claims and Repair Procedures

In the event of a claim, you must notify Bardahl Pro Claims Administrator, c/o Bardahl Manufacturing, prior to having any repairs made by calling 1-855-BMCPROS (262-7767).

You must provide the designated claims administrator with information from all the following:

- Copy of Service Order showing the use of Bardahl Pro Pre-Owned Kit
- Copy of statement and damages

If required, you must ship the damaged parts, as well as a representative pint sample of the vehicle fluid involved with the damaged parts to

Bardahl Manufacturing Corporation  
1400 NW 52nd ST  
Seattle, WA 98127-0607

### F. Bardahl Pro Reimbursement Terms in US Currency

Parts and labor up to \$2,000 (two thousand). Limited to one claim per vehicle per owner.

This program is not transferable if vehicle ownership changes. Bardahl Pro is not responsible for incidental or consequential damages. It will apply only to authorized repairs made for vehicles operated in the United States of America, Puerto Rico or Canada. This document may not be modified.
